## SCANNING & IMAGING SERVICES

These services are available for both Black & White and Color images

### Scan • Copy • Archive

Make a high resolution scan from:

- 35mm negative or slide
- 2¼ , 6x7 or 645 negative
- 4 x 5 neg.
- a print up to 8½ x 11
- a print from 8½ x 11 up to 11 x 14

High Resolution Scans are 300 ppi sized to be approximately 16 x 24 and saved as JPEG files.

A CD is included in the price of your scan.  
( upon request )

### Retouching & Restoration

Retouching is available on high quality scans.

Would you like retouching or restoration done?

Yes  No

Please attach retouching instructions for each image.

\* We also offer a Photo CD which contains all the images from a roll of film. Images are scanned and saved in a medium resolution JPEG format on a CD. The images are suitable for viewing on a computer as proofs, printed as 4x6's or 5x7's, for web use or to be e-mailed. We can offer this service at the time we process your film or from film already developed. Look for this service on the Film Processing Order Form.
