SCANNING & RETOUCHING

These services are available for both Black & White and Color images

Scanning	Retouching
<p>Make a high resolution scan from:</p> <ul style="list-style-type: none"><input type="checkbox"/> 35mm negative or slide<input type="checkbox"/> 2¼ , 6x7 or 645 negative<input type="checkbox"/> 4 x 5 neg.<input type="checkbox"/> a print up to 8½ x 11 <p>High Resolution Scans are 300 dpi sized to be approximately 16 x 24 and saved as JPEG files. Uncompressed TIFF files are also available upon request.</p> <p>A CD is included in the price of your scan. (upon request)</p>	<p>Retouching is available on high quality scans.</p> <p>Would you like retouching done?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Please attach retouching instructions for each image.</p>

* We also offer a Photo CD which contains all the images from a roll of 35mm film. Images are scanned and saved in a high quality JPEG format on a CD. The images may be viewed on a computer as proofs or e-mailed. We can offer this service at the time we process your film or from film already developed. Look for this service on the Film Processing Order Form.
